Chartering your own private yacht is a totally unique experience. Imagine waking up each morning to a new day - whilst you and your guests are enjoying a freshly prepared breakfast, you can leisurely decide what direction the day will take. Will it be a day remaining at anchor in some idyllic bay, swimming or snorkelling in crystal clear blue waters, jet skiing or water skiing, sunbathing or simply relaxing? Or exploring the surrounding area whilst shopping and enjoying the sights, colours and flavours? Alternatively, you could up-anchor and cruise gently, enjoying an al fresco lunch en route before mooring in another beautiful bay ready for an evening ashore to sample the local cuisine! The choice is yours and your crew will be on hand to assist in every way.

Few of life's pleasures can compare with the joy of a cruising holiday. You are assured freedom, flexibility and privacy in safe, luxurious surroundings. You can choose whether you want an active or relaxing holiday - whatever your choice of yacht, destination or lifestyle, it is your decision.
